

International Observatory Of Management Control COMMITTEE

Frederic DOCHE

frederic.doche@conseil-dpc.com

10th October 2013

Missions

- ❖ The purpose of the Committee is to get a better understanding of the management controller's :
 - ❖ activities,
 - ❖ processes,
 - ❖ methods and
 - ❖ tools used
- all over the world.

Missions

To promote:

- ❖ IAFEI image in the international arena
- ❖ Best practices
- ❖ Debate on Performance Management
- ❖ Cooperation between members of the Association and other Institutes

Objectives

1. Organization of a global annual survey concerning the management controller's practices and their evolution, all over the world
2. Publication of the "International Observatory of Management Control" Special edition of the IAFEI newsletter which includes results of the survey and analysis
3. Promotion of management control best practices through the presentation of the observatory results during the IAFEI world congress and other more country specific congresses.
