

HELLO!

03/20

Del Cabo Event Design - now Del Cabo Events - was born in the beautiful Baja setting of Los Cabos in 2005.

Reputation began to build and success grew from the ground up, as Del Cabos' hyper-motivated team used unique decor, fabric, staging, lighting, furniture, and custom touches to craft spectacular events for numerous Fortune 500 and Forbes List Companies.

T

We take the time to understand the vision and strategy for each event truly, and our team of designers immerses themselves in translating and styling every single detail to exceed all possible expectations.

Our capabilities include every aspect of production from decor to staging, AV & lighting, sound systems, soft goods such as linens and drapes, installations and special effects of all kinds.

We provide the widest and deepest array of event rental products and services available to event professionals.

At Del Cabo Events in-house designers, craftspeople, carpenters, and welders produce bespoke furniture, unique props, tents & teepees, bars, and stages, or modify existing furniture to your specs in our fabrication workshop. Our tailors create stunning custom draperies, linens, cushions and versatile lounge furniture.

The talented artists create original signage, menus, and graphic design products making us the most sought-after corporate event planners.

OUR COMMUNITY

Our business units adhere to ethical business practices aligned with our organizational values.

We support programs and engagement opportunities related to education, entrepreneurship, social leadership and culture.

07 / 20

We contribute to the positive transformation of the communities in the regions where we live and work. In this way, we multiply the benefits and positive impacts we can make in the community.

In addition to an extensive selection of rental supplies, we offer a customer service experience unique to our field! Our personalized, friendly service with prompt turn-around time and response to all inquiries separates us from our competition.

18 / 20

We work best with professionals who highly value the guest experience, aesthetics and design. Clients trust our work and value our experience.

DCE allows clients to feel stress free during the planning process.

W H Y

We are passionate about creating and executing your vision and making your events memorable for a lifetime.

From weddings, private events, to concerts and grand openings, we understand that every event is unique. We maintain our devotion to your special occasion with expert care and our passion for design.

With over 16 years of event production experience, we have become a leading rental company by providing individualized customer service to every client. From weddings, private events, to concerts and grand openings, we understand that every event is unique. We maintain our devotion to your special occasion with expert care and our passion for event producing.

DEL CABO WEDDINGS

We are a team of talented and creative professionals who attend to all the intricate details of your event. We work closely to assist and advise you, and to transform your dream wedding into a reality.

Our stress-free policy and flexibility will let you decide how much help you need. We make it our top priority to ensure every detail of your event is executed seamlessly.

From the grandest reception to the most intimate ceremony, we offer endless possibilities for a completely tailored experience. Because of the extraordinary amount of time we dedicate to designing and planning events, we only accept a select number of clients each year.

We work tirelessly and devote all our attention to you, our client, for the best wedding experience possible.

As one of the most distinguished and sought-after event companies in Los Cabos, our reputation in the hospitality community allows us to integrate all components of an event seamlessly, regardless of the location or any last minute changes you may have
